PROPOSAL FOR IMPROVED CONNECTIVITY

The Ujjain–Jaora Greenfield Highway is proposed to enhance regional connectivity by providing a high-speed, access-controlled corridor between Ujjain, Jaora, and adjoining districts. The project will reduce travel time, improve road safety, ease traffic congestion on existing highways, facilitate faster movement of goods and passengers, and promote economic growth, tourism, and industrial development in Madhya Pradesh.

PROJECT TIMELINE

PROJECT SITE

The Site of the project corridor starts from Km 38+150 of NH752D (Ujjain-Badnawar Road) (Latitude 23°9'36.48"N & Longitude 75°42'37.90"E) and terminates at KM 133.930 of Mhow-lebad-Jaora Neemach-Nayagaon road SH-52 (Latitude 23°40'1.23"N & Longitude 75° 7'19.83"E) (Design Length 88.050 Km). The project scope additionally includes Construction of 4 lane road for Ujjain Spur connectivity (Length 10.68Km). An Index Map and location Map of the Project highway is given as below:
